

Kiss of Surrender: Deadly Angels, Book 2

Its not easy being a Vampire Angel. No one knows that better than Trond Sigurdsson. In the centuries since he last went out drinking and wenching with his Viking buds, Trond has been a gladiator, a cowboy, a ditch digger...even a sheik. But now hes the baddest of them all: a Navy SEAL kicking the butts of terrorist immortals with the help of his hotter-than-Hades female partner, police-officer-turned-Special-Forces-operative Nicole Tasso - whom Trond dearly hopes to partner with very shortly in a whole different way. The cop part of Nicole tells her that theres something bizarre about her gorgeous, godlike teammate. But her all-woman side cant help wondering how great it would be to have a virile Viking in her bed. Trond has secrets galore, but Nicole feels certain she can dig them out - and really get to the heart of this powerful, unnerving stranger whom she may be risking her soul to love.
