

Paper Landscapes

Aziz Dixon's fourth collection of poems explores further the topography of East Lancashire and North Wales, and the interplay of landscape, music and spirituality. Meet the evil queen, the prophet Elijah, and Billy the Brickie. Listen for echoes of Handel and Mendelssohn, and dance for joy with healing mantras. Explore the paper landscapes that come alive in these poems. Get a taste of Aziz's poetic style in his other works too - Sufi Sunrise, North Wales Pilgrim: a poetic journey and River and Hills: voices of Irwell.
