

Cabo Trafalgar (Spanish Edition)

For the bicentennial anniversary of the Battle of Trafalgar, Alfaguara asked Arturo Perez-Reverte to narrate an account, with his particular vision, about the most famous naval battle in history. This combat faced the combined Hispanic-French Navy against the British, in the Spanish waters of the Cape of Trafalgar. The blend of historical accuracy and spectacular action together with the unique writing style of Arturo Perez-Reverte makes these pages a passionate and exciting key piece to understand the events of that tragic day in October 1805, which changed the history of Europe and the entire world.

Description in Spanish: El 21 de octubre de 1805, la flota hispano-francesa y la británica se enfrentaron en una de las batallas más decisivas de la historia. Doscientos años después, la pluma de Arturo Perez-Reverte revive el combate en toda su crudeza, en un relato de estilo vibrante y pleno de rigor histórico que Punto de Lectura ofrece a todos los lectores.
