

Ghosts of the Asylum: Book I of The Horrors of Bond Trilogy (The Ursian Chronicles)

The streets of the city of Bond boil with discontent. Political struggles within a power vacuum bring dreams of dominance to some among the lower levels of the city's underbelly. Common thugs and guild bosses alike conspire together, their goal to eliminate the figure of Kron Darkbow. Permanently. Kron has become a symbol on the streets, and his removal would not only clear the way for others, but also would be a sign of who has the real power in Bond. Amidst the chaos, buildings burn, riots go nearly unchecked, and even the city guard find themselves forced to retreat. Through it all sits the Asylum, a building in ruin, a building with history, a history that involves Kron Darkbow. For if the street scum fail to get the man in black, perhaps the spirits of the dead will prevail.
