

Sports Claymation (Claymation Sensation)

Time to get in the game. Readers will have a ball learning Claymation basics in this fun and easy to follow guide. This book begins with an introduction to Claymation that includes all the important techniques and materials, covering both armature and subtractive sculpting techniques. Readers will follow the steps to creating their own sports scenes, from skateboarding to skiing to practicing karate. The movie set comes to life as readers build and assemble the background, props, and lights. By the end of the book, readers are well on their way to creating their own epic sports movie using Claymation.
