

## Gargoyle Girls of Spider Island

A bizarre twist on island horror stories such as *Dagon*, *Zombi 2*, and Brian Keenes *Castaways*. Four college seniors venture out into open waters for the tropical party weekend of a lifetime. Instead of a teenage sex fantasy, they find themselves in a nightmare of pirates, sharks, and sex-crazed monsters. Oscar shouldn't have stolen his stepdad's boat, but he wanted to impress Colette, who he has been pining after since their freshman year. This vacation was the perfect time to let the romantic sparks fly. With his best friend Allen (and Colette's friend, Jane, the bitch) tagging along, Oscar saw no way this trip could possibly suck. His hopes die when they are hijacked by pirates. Then their boat sinks and someone gets eaten by a shark. Finally, stranded on a tropical island with an endless supply of rum, Oscar believes their epic weekend can finally begin. But the island is populated by a savage race of beautiful women. When night falls, these women transform into grotesque monsters unlike anything ever seen in fiction. Pulp horror with a heart, *Gargoyle Girls of Spider Island* is the most deranged island horror story ever told.
