

## Hex Marks the Spot (Bewitching Mysteries, No. 3)

While her boss becomes entranced with a beautiful armoire at the countywide craft bazaar, Maggie can't help noticing the Amish craftsman who made it. Though his clothes may be plain, he himself is more handsome than a man sporting a jawline-only beard has any right to be. And he seems pretty aware that the ladies love his...furniture. But when the hunky craftsman turns up dead with a strange hex symbol near his corpse, Maggie wonders if the craft involved is the witchy kind.
