

Dreamscape: Netherworld Book I (Volume 1)

Every night before Amelia falls asleep she makes a wish to dream of him the man who calls her to their beautiful private oasis, her sanctuary where she is free of her greedy landlords threats. But tonight, he will not call Amelia to him. Tonight, another man will step into her world to claim her. Tonight, Amelias shattering reality will crumble and disappear into the Dreamscape along with her freedom. When Amelia dreams tonight, her nightmare becomes her new world where Seth is her captor and anything is possible except escape. Seth needs Amelia to break the curse that binds him to the Dreamscape. He must convince her that she was made to free him, that she was made to join him. For if he fails, he will never escape his prison, and he will lose Earth to the Netherworld where the evil Erobos wait to consume the human realm and everything in it. If he fails, Seth will lose the one thing that matters to him: Amelia.
