

The rulebooks, components, and configuration of this latest Starter Set have all been modified to introduce those unfamiliar with D&D or miniatures gaming to basic skirmish concepts in an easy yet fun manner. Key changes include a new Start Here rulebook that takes a step-by-step approach to terms, battle tactics, and other game elements. This rulebook also features the two fixed miniatures that are now found in every Starter Set, allowing every purchaser the same learning experience right out of the box. Two full-color, double-sided maps supply vital play surfaces and also make a great visual impact. In addition to new components, the overall game rules have been updated to facilitate faster gameplay and encourage larger battles.
