

Five Down: A Downside Anthology (Downside Ghosts Book 14)

The Downside Ghosts series has been called gripping and brilliant, a must-read, and one of the best paranormal fantasy series available. Now all four previously published short stories set in this world are collected in one place, plus one new, never-before-seen novella. In this volume are: RICK THE BRAVE (from HOME IMPROVEMENT: UNDEAD EDITION) HOME (originally published on Heroes & Heartbreakers) CLOSE TO YOU (originally published on Heroes & Heartbreakers) KEEPING IT CLOSE (web original) PLAYING WITH FIRE (New!) Each story is presented in its entirety, with a note on its conception and writing. If you're a Downside fan, this is a must-have for your collection. Recommended for mature readers.
