

Basiyr: Chronicles of Nahtan: Book 6 (The Herridon Chronicles)

With the Olorun armies now allied with him, Nahtan begins his march on Basiyr. Thorvald awaits him with the last of his armies, not knowing the power Nahtan now carries within him from his old world and that he intends to use for a final victory there. Nahtan knows Valry is only a few days away at Zareds Temple, where Zareds high priest and priestess prepare her for a final communion with their god that will give Zared access to her gifts and allow him to free himself back into the world. Hidden somewhere within the temple, Lord Valin continues to try to find the young princess before its too late. Book 6 in a 7 book series, Basiyr continues the story of the Chronicles of Nahtan, telling the story of a king who seeks redemption for himself even as he seeks to fulfill the prophecy laid out before him.
