

A Gift from the Grave (Classic Reprint)

United States the story appears as The Touchstone. While it was passing through the press over here, I was informed that a novel under this name was already in circulation. In accordance with the usual rule of courtesy and convenience which is observed in such matters, I decided to alter the title, and wrote at once to the author, asking permission to call her book The Touch of a Vanished Hand. As the author was travelling in Italy, a month elapsed before I received a reply, by telegraph, instructing me to adopt another title which unfortunately has also been forestalled. Meanwhile the sheets had all been printed off, when I was informed that a novel was published in 1889 called The Touch of a Vanished Hand. In telegraphing, the author gives me no address, and as a decision has to be made without further delay, I have ventured to give the book the title which it now bears A Gift from the Grave ;and I hope that no other claimant to this will now arise. I must ask to be allowed to bear all the responsibility the blame, if there be any of this change ;but the circumstances are peculiar, and may, I hope, plead my excuse. JOHN MURRAY.

June(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
