

Gas Happens!: What to Do When It Happens to You (Communicate With Confidence)

As parents and educators, we've all been there. Gas is passed and a variety of snickers, giggles and negative comments ensue. But did you know that everyone and every living thing passes gas (except jelly fish and coral sponges)? If it's so natural, why do we struggle with teaching children how to respond appropriately when it happens? Join Gus as he and his classmates learn the brief biology lesson behind why we all pass gas, and the right way and the wrong way to handle it when it happens! in public.
