

Protectors of the Vale - Without Photos: Without Photos (The Heroes of DaeRun (Without Photos)) (Volume 1)

The days are dark and terrifying for the defending forces of the Alliance, a steadfast coalition of elves, dwarves, gnomes and humans. Yet dual lights of hope spring from the lush forests of Celestia Rosabela, an elven shapeshifter and healer, and her twin brother Wavren, a hunter and beastmaster, leave their home to join the Protectors of the Vale, an elite band of heroes who are the worlds best defense against the dark forces. Treacherous infiltrators hinder preparations for the approaching conflict as the enemy draws ever nearer. Rosabela and Wavren will need every ounce of their cunning, courage and skill to fight for the freedom of all as blades clash, arrows fly and magic shatters the air.
