

The Art of John Alvin

John Alvin's movie poster art is among the most iconic of the last 40 years, from Disney films such as *Beauty and the Beast*, *Mulan* and *Pinocchio*, to *Empire of the Sun*, *Gremlins*, *Blazing Saddles*, *Predator*, and the *Star Wars* 30th anniversary posters. This book not only collects some of Alvin's finest work, but also includes previously unseen comprehensive and in-progress sketches. With the text including commentary from Alvin's widow, this is a unique insight into the work of one of the 20th century's great artist/illustrators.
