

La muñeca de la señorita Molly (Miss Mollys Dolly) (Spanish Version) (Literacy, Language, & Learning) (Spanish Edition)

A little girl named Molly has a very sick dolly. She calls the doctor to come quick, quick, quick! Read what happens next in this sweetly illustrated version of the traditional song. This book has been translated into Spanish and allows for a wonderful shared reading experience for children who are just beginning to read. The familiar rhyme and images help new readers tell the story either as they read or as they are read to.
