

Revising much of the content originally published in *The Kingdom of God Is Like*, and adding selected material from *Awakenings* and *Reawakenings*, Thomas Keating continues to stir the Christian imagination with insightful commentary on the parables of the Bible. Including the Mustard Seed, the Narrow Door, the Penitent Woman, the Sower, the Prodigal Son, and others, this collection of corresponding meditations renews the voice and vigor of each parable's deeper meaning—so often overlooked through familiarity and fame. Originally told to seekers in an ancient land, each parable is packed with clues about the meaning of life, the nature of God, and the purpose of creation—has as much relevance and resonance as ever for both teaching the lessons of God and his mercy and for understanding the daily struggles of today's fast-paced world.
