

The Kingdom of God is not meat and drink ;but righteous ness, and peace, and joy in the Holy Ghost. Romans xiv. 17. In the history of the Church no subject has been more fruitful of controversy than the Lords Supper. There never has been any unanimity in the understanding of its nature, nor any imiformity in the mode of celebrating it. Without considering the frivolous questions which have been lately debated as to the posture in which men should partake of it; whether mixed or unmixed wine should be served; whether leavened or unleavened bread should be broken; the questions have been settled differently in every church, who should be admitted to the feast, and how often it should be prepared. In the Catholic Church, infants were at one time permitted and then forbidden to partake; and, since the ninth century, the laity receive the bread only, the cup being reserved to the priesthood. So, as to the time of the solemnity.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
