

Maybe Never, Maybe Now (Large Print 16pt)

(ages 13 and up) Its the start of eleventh grade, and Caitlyn is ready to forget the abusive relationship she was trapped in last year. Since breaking free of Tylers grip, she has put up a wall to protect herself so she wont be hurt that way again. When an opportunity arises to go on an exchange trip to Quebec, Caitlyn wonders if this is her chance for a fresh start. But soon after her departure, old fears and insecurities start to creep back in, and she second - guesses herself at every turn. As she embarks on a new romance, a figure from her past tries to make amends. Can she find it within herself to trust again? Maybe Never, Maybe Now is the sequel to Kimberly Joy Peterss award - winning novel, Painting Caitlyn, and is one of four linked titles that feature the intersecting stories of best friends, Caitlyn and Ashley.
