

Borrowed Sins (League of the Fallen Book 2)

A Withering Soul Within the League of the Fallen, Mika is the Angel who could convince a saint to commit the ultimate sin. Notorious for his powers of persuasion, he is accustomed to having his every need fulfilled by all who dare to cross his path. Yet the emptiness that comes with complete surrender continues to consume him. Desperate to cling to what's left of his soul, he is determined to leave this world behind and return to the one place he's forbidden to go. But when he is faced with a young immortal unlike any other, the fire he once felt reignites. With a body built for sin and a will stronger than his own, Vyla alone brings out his most carnal desires.

An Innocent Unchained In a dark alley, Vyla Dorr lures her prey to their demise, but when her damsel-in-distress act becomes too convincing, a would-be savior with sinful eyes comes to her aid. What's worse, Vyla can't help but reveal her darkest secret to Mika... a complete stranger. When she draws the unwanted attention of the son of the Devil, she fears she'll never see the light of day, until she falls under Mika's protection—a persuasive immortal with a cocky grin and scorching touch who breaks her out of her sheltered existence.

A Passion Worth Saving With their world in turmoil, Mika does the only thing he knows how to do: fight for what he wants. But even with the most influential powers, Vyla is ripped from his arms, shattering his belief that life could offer more. Decades later, Mika and Vyla find their paths crossing as they come together to face a haunting past. As their previous trials become their present struggle, can their love once again reignite? Or will the sins of the past claim their future?
