

# Physical Chemistry With Applications to Biological Systems

The title of this book is Physical Chemistry With Applications to Biological Systems and it was written by Raymond Chang. This 2nd edition of Physical Chemistry With Applications to Biological Systems is in a Hardcover format. This books publish date is June 1, 1977 and was published by Prentice Hall. The 10 digit ISBN is 0023210400 and the 13 digit ISBN is 9780023210402.
