

## Quinito, Day and Night/Quinito, dia y noche

From dawn till dusk, Quinito's life is full of opposites. In the morning, he's up and running fast or slowly, depending on the day. If it's sunny, he's off to the park to swing high and low. If it's a rainy, stay-at-home day, Quinito is quiet at naptime and noisy at playtime. So much to do before the sun sets! This playful story builds awareness in young readers that everywhere they look, opposites abound. Told in both English and Spanish, Quinito, Day and Night is a delight for readers young or old, tall or short, messy or neat.
