

## Shall I Win Her? The Story of a Wanderer, Vol. 2 of 3 (Classic Reprint)

Excerpt from Shall I Win Her? The Story of a Wanderer, Vol. 2 of 3 The supercilious Carysfort was disposed to treat rather contemptuously my fears of collusion between my fugitive servant and the outlaw. He thought that hostility to myself, and robbery on the part of Africander, were all they had in view. Even the references to the Cape Riflemen he laughed at; but Douglas shared my fears that something was impending, for Mark was the leader of a gang of desperadoes and escaped convicts, all wretches of the worst description. The fourth day of our enforced halt had drawn to a close. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
