

## The Crown and the Sword: The Rise of Solamnia, Book 2

During the dark years after the War of Souls, chaos threatens the once-mighty empire of Solamnia. Goblins raid even fortified cities, and bandits rule great sections of the countryside. The ruling dukes, lords, and knights bicker and backstab. Through this chaos, James Markham, aided by his steadfast dwarven companion and a beautiful white robed wizard, wields his flaming sword to uphold the principles on which Solamnia was founded.
