

Black women struggling with infertility have feelings of isolation, shame and lack of information. The Black Girl's Guide to IVF is a short e-book that hopes to help black women feel less alone. The author shares her private journey as someone who experienced IVF failure and success. She answers the questions that she had, and shares her advice for all the black girls considering or going through IVF. If you don't know any black girl that has done IVF you know her, she did it and so can you! Before you spend thousands of dollars on fertility treatments read this book first.
