

The Heartstone Blade (The Dark Ability) (Volume 2)

Blacksmith. Thief. Murderer. After killing one of the Elvraeth to save his friends, Rsiran finds a measure of peace, but fears that it will be short lived. When attacked using knives he forged, he is pulled into a struggle that he wants nothing to do with. Worse, friends have secrets they do not share, secrets that could place both he and Jessa in danger. Finding answers sends him sliding throughout the city and beyond, testing his ability all while trying to understand the secret of the alloy that might be the key to their safety. When someone close to him is harmed, he must discover the extent he will go for his friends, and realizes that he might truly have darkness within him. But that darkness may be all that separates he and his friends from an even greater threat.
