

The Land of Painted Caves (Earths Children)

THE LAND OF PAINTED CAVES concludes the story of Ayla, her mate Jondalar, and their little daughter, Jonayla, taking readers on a journey of discovery and adventure as Ayla struggles to find a balance between her duties as a new mother and her training to become a Zelandoni one of the Ninth Cave communitys spiritual leaders and healers. Once again, Jean Auel combines her brilliant narrative skills and appealing characters with a remarkable re-creation of the way life was lived thousands of years ago, rendering the terrain, dwelling places, longings, beliefs, creativity and daily lives of Ice Age Europeans as real to the reader as todays news.
