

# The Further Fangs of Suet Pudding

What happens when apeman good meets marshmallow evil? Thats the alarming question posed by this novella, which is a double sequel to two obscure and unlikely books, namely The Abnormalities of Stringent Strange by Rhys Hughes and The Fangs of Suet Pudding by Adams Farr... In a forgotten corner of Africa, an eccentric club of veteran flyers must confront the unexpected arrival of a violet-scented jelloid Nazi with all the evil powers of a psychic pudding at his disposal! Only Stringent Strange, the apeman test pilot, plus his chums and a few readers, have a chance to prevent the repulsive invader from achieving total world domination!!
