

The Window: Inspired Ideas for Framing Your View (Leisure Arts #3422)

Don't get stuck in a jamb. For the newest trends and savviest tricks in window treatments, turn to home decorating gurus Becky Charton and Belinda Brolo. Informative and inspiring, this book provides tips and insider techniques for creating stylish, functional window decor solutions for every room of the house, from selecting fabric, hardware, and accessories to enhancing treatments you may already have. The Window offers idea-stimulating full-color photography throughout, plus advice on penny-wise planning and easy-to-understand instructions for 11 types of window treatments, including a French Country valance, balloon shades, box-pleated silk kitchen curtains, a tasseled triangle valance, and more.
