

Ultimate Guide to Ceramic & Stone Tile: Select, Install, Maintain

Everything a do-it-yourselfer needs to know about tiling floors, walls, counters, patios, and more can be found in Ultimate Guide to Ceramic & Stone Tile. Design and planning information helps readers prepare the site and select the right tile—ceramic, stone, vinyl, glass, and more. Chapters on tools and materials feature how-to photo sequences so even novices can tackle tile projects successfully. The emphasis is on solid, durable installations that can stand up to years of use in kitchens, baths, and other areas. The book also covers exterior applications, and includes a practical and complete guide to repairing and maintaining existing tile.
