

March till Death (Hellsong) (Volume 3)

Does a damned man dare dream? Driven ever farther from his home, Arturus must come to terms with the fact that, as a denizen of Hell, it simply may not make sense for him to feel things like hope or love. In a place where all that ends is ill, hope is a lie. In a place where all who breathe are selfish, love is a liability. But Arturus cant help himselfhis heart longs for his home and for the people he left so far behind. All men dream, didnt you know? Even the damned ones ... Especially the damned ones.
