

Ayudar a Un Amigo / Helping a Friend (Podemos Hacerlo! / We Can Do It!)

Whether they're stuck on a homework question or just need a push on a swing, friends need each other! This book shows budding readers that not only could friends use a hand, but it can be rewarding and even fun to help out. Pairing accessible text with colorful photographs of friends lending others their time and effort, readers learn how their peers help their friends clean up their neighborhood or learn how to read. They even discover how they can team up with their own friends to stay safe or clean up trash in their neighborhood.
