

The hilarious, take-no-prisoners novel about a cynical, sex-obsessed teenagers pining love for an intelligent girlâ€“ now a major motion picture from Dimension Films starring Michael Cera  
**SIX MONTHS IN THE LIFE OF THE WORLDS MOST DANGEROUS TEENAGER**  
Youth in Revolt is the journals of Nick Twisp, Californias most precocious diarist, whose ongoing struggles to make sense out of high school, deal with his divorced parents, and lose his virginity result in his transformation from an unassuming fourteen-year-old to a modern youth in open revolt. As his family splinters, worlds collide, and the police block all routes out of town, Nick must cope with economic deprivation, homelessness, the gulag of the public schools, a competitive type-A father, murderous canines, and an inconvenient hair trigger on his erectile responseâ€“all while vying ardently for the affections of the beautiful Sheeni Saunders, teenage goddess and ultimate intellectual goad.  
From the Trade Paperback edition.
