

Zoe Matthews, the Undead Ghost, and the Demon (A Bridgeport Supernatural Mystery Book 1)

First book in the Bridgeport Supernatural Mysteries Series What do you do when the ghost of your murdered husband shows up in your swanky new loft? If you're Zoe Matthews, you don't celebrate the fact that the philandering bastard is dead, you set out to find a killer. The list of suspects seems endless. Was it one of the nearly adolescent girls he'd been sleeping with behind Zoe's back, a sinister friend who dabbles in black magic, a pair of clueless thugs on the hunt for a missing artifact they think Zoe has, a sexy and all too appealing celebrity artist new to town, or the stuffy town mayor? Armed with her two best girlfriends, a ghost hunting sister, a meddling spirit who refuses to leave her loft, and plenty of tea, Zoe sets out to get to the bottom of Joe's death. What she finds out on this journey into the supernatural leaves her changed forever.
